Happy 2 be Home is happy to report that Fred's Footsteps – an agency that gives grants up to \$10,000 to families over 18 counties for everything from bills to home renovations – has accepted the Schwartz family into their program. We look forward to future partnerships with Fred's Footsteps, so that we can benefit the most families.

Current Projects Update:

The Schwartz family has requested additional funding for a few additional projects to be completed. The board is discussing options. We hope to share pictures of the bed & bathroom renovation soon.

The driveway expansion for the Fritz Family was put on hold through winter. We are expecting the contractor to move ahead on the project now that the weather has improved.

The Johnson family is in the process of obtaining drawings and bids for their home project.

St. Juste family and Purcell family are still in the process of obtaining contractor bids.
