## News:

### Project Updates:

Garrett’s dining room to bedroom conversion has been completed. In January, the family had an open house to thank everyone who helped make this wonderful room possible.

The ceiling lift has been installed in Ethan’s home. The family is now able to transfer him from his bedroom to the therapeutic swing and wheel chair in the living room, and access to the bathroom with less difficulty.

We are still working with Kelly’s family and various contractor to come up with a solution that will provide Kelly and her family the accessible bedroom and bathroom that is needed.

We are happy to welcome Oriany and her family to Happy 2 be Home. We will be working with the family to determine Oriany’s needs and how we can be of assistance.

If you know of a family with a chronically ill child who needs assistance in providing a suitable home environment to help enhance their quality of life, please have them get in touch with us.

### Special Thanks:

Thank you to all who supported our Designer Purse Bingo on January 20<sup>th</sup>. We all had a great night, and together we raised over \$2,500.
