## News:

### Project Updates:

We are happy to welcome Penelope and her family to Happy 2 be Home. Penelope is a 13-year-old who requires around the clock care. We will be assisting the family to add a ramp into the home to provide accessibility and safety.

The family of Jake and Ryan (existing H2bH children) has reached out to us as they look to have a ceiling lift installed in their home. As the children grow, it is becoming more difficult for the family to transfer them around the home. Bids are being sought.

We have been working very closely with Kelly's family to find a suitable solution so Kelly can remain safe and at home with her loving family. Due to the scope of work involved to make that happen, a go-fund-me page has been started. Please consider making a donation or help spread the message through social media by sharing the page.

We are working with Oriany's family to determine Oriany's needs and how we can be of assistance.

If you know of a family with a chronically ill child who needs assistance in providing a suitable home environment to help enhance their quality of life, please have them get in touch with us.

### Special Thanks:

Thank you, Jr. Women's Club of Boyertown. President, Anita Zuber along with Jane Prutzman present a \$7,000 check to Happy 2 be Home. Money was raised at their first Girls Night out Basket Raffle held March 10, 2018.

Drew Carney presented his first \$500 donation to H2bH in April. If you, or someone you know is selling or buying a home, contact Drew. He has started an ongoing giving campaign. When someone buys and/or sells a home with him, he will donate \$500 at closing to H2BH.

### Volunteers Needed:

Do you enjoy helping others? We are looking for individuals to help serve on various committees (fundraising, membership, etc.). If you, or someone you know would be interested in finding out more, please contact us.
