News:

Project Updates:

Bids are being received for a ramp at Penelope's home. The ramp will provide much need accessibility and safety.

A bid for a ceiling lift for Jake and Ryan has been accepted. Work is pending.

Due to building regulations where Kelly currently lives and the scope of work involved, we are having difficulty finding ways to make her current home safe and accessible. Along with the current go-fund-me page to help off-set costs for a potential remodel, we are also working with the family to see if a home with better accessibility is available for them. If you would like to make a donation for this specific project or help spread the message through social media, please click the following link.

We are still working with Oriany's family to determine Oriany's needs and how we can be of assistance.

If you know of a family with a chronically ill child who needs assistance in providing a suitable home environment to help

enhance their quality of life, please have them get in touch with us.

Special Thanks:

Thank you to the organizers, the volunteers and all the participants who came out for the If You Build It They Will Run 5k (August 11) and the Car Show (September 8). The countless hours you give of yourselves to put on such wonderful events is very much appreciated.

If You Build It had over 120 runners and walkers participate and approximately \$10,000 raised.

The annual Car Show was well attended, despite the weather.

Elections:

As outlined in our by-laws, and election for board directors was held at our July board meeting. Scott Hamrick was re-elected President and Susan Wendel was re-elected Vice-President.
