Project Updates:

We are thrilled to welcome Michael and his family to Happy 2 be Home. A home visit will be made to assess Michael's needs.

The generator for Alaina's home has been installed. Waiting contractor to complete front door project.

The accessible bedroom and bathroom for Rubi is currently on hold until additional funding is available.

The family of Elliott and Henry (existing H2bH children) have reached out to us as they look to have a ceiling lift installed in their home. As the children grow, it is becoming more difficult for the family to transfer them around the house. Bids are being sought.

Waiting one additional bid for Elena's garage to bedroom conversion.

If you know of a family with a chronically ill child who needs assistance in providing a suitable home environment to help enhance their quality of life, please have them get in touch with us.

Volunteers Needed:

Do you enjoy helping others? We are looking for individuals to help serve on various committees (fundraising, membership, etc.). If you, or someone you know would be interested in finding out more, please contact us.
