Project Updates:

We are delighted to welcome Sofia and her family to Happy 2 be Home. We will be assisting the family as they look to have bathroom modifications made to their home.

The front door project is still pending for Alaina. Contractor to complete the project has been confirmed.

Additional bids for a ceiling lift for Elliott and Henry are still being sought.

A grant for \$40,000 has been approved for Elena's garage to bedroom conversion.

A \$17,100 grant has also been approved for the exterior elevator at Michael's home.

The accessible bedroom and bathroom for Rubi is currently on hold until additional funding is available.

If you know of a family with a chronically ill child who needs assistance in providing a suitable home environment to help enhance their quality of life, please have them get in touch with us.
