## Project Updates:

Candace's bathroom conversion has been completed. We are thrilled to be able to help this family, and other families, make the necessary modifications to their homes, so their beautiful children have a suitable and enhanced quality of life while in their homes surrounded with the love from family.

Trey's family is working on obtaining bids for a bathroom renovation.

Amazing news and a first in the H2BH family. The prognosis for Rubi has improved so much that an on-call nurse is not needed, and an accessible bedroom will no longer be required. Rubi came into our family only a few months old and is now 3 years old. This is a true miracle. We wish Rubi and her family all the best and look forward to updates on Rubi's continued health improvements.

If you know of a family with a chronically ill child who needs assistance in providing a suitable home environment to help enhance their quality of life, please have them get in touch with us.

## Special Thanks:

We were excited to receive a \$500 donation from Endeavor Business Brokers of Gilbertsville. They have committed to giving back at least 10% of each business transaction to help improve the lives of families in their local communities. Pictured below is H2BH Board Member Susan Wendel receiving the check from JT Clark, a partner at Endeavor Business Brokers. We had a great turn out for Designer Purse Bingo after a 2-year hiatus. Thank you to everyone who came out to play, donated raffle prizes, and volunteered. It was a fun night and together we raised over \$2,800. Special thanks to Melisa Snyder for all the time you spent ensuring the event was a success.

**Special Thanks cont.:**

Thank you to Global Advanced Metals for providing a \$20,000 grant that supported Candace's bathroom project.

Thank you to NHUMC for the opportunity to run the snack tent at their March 26<sup>th</sup> Craft Show. Over \$400 raised.

We'd also like to express gratitude to Boyertown United Way for their continued support.
